Mr & Mrs Abe Manley

Received your letter a few days ago. Sorry to have delayed in answering. I am willing to play with the team but you see they pay me a very good salary in Mexico for eight months and the season in the States are so short. to make a long story short if you agree to pay me \$315.00 per month and manager of the team you can depend on me. if you agree please write me all your plans. I gave the boys the new address you will hear from them soon. Please let me hear from at once.

Very Truly yours
W. Wells
